From a state where I thought whether I could get a seat or not to a state where I can choose whatever medical college I want, was possible only by VELAMMAL . Their exceptional faculty, comprehensive study materials and motivating atmosphere were pivotal in shaping my journey. The experienced faculty's deep subject knowledge and effective teaching methodologies guided me remarkably . The well structured curriculum and regular mock tests improved my exam skills. I highly recommend Velammal NEET Academy to all NEET aspirants.

Winning is contributed with 40% & 60% splittance of work between the foundation to be given and effort of the student himself/herself. Well , Velammal NEET & IIT Academy gave the platform for both of them, proper foundation to the subjects and the realisation, motivation the student needs for his 60% work. I thank the faculties, Principal, non-teaching staff who have helped me in my journey of success.

Joining Velammal was the best decision of my life . We have been provided with the best faculty, their teaching methodology from fundamental to competitive level helped me understand the concept. There is no comparison to study materials of Velammal which includes all basic concepts. They helped us access and provide us with best support and solutions. I enjoyed the wonderful experience with Velammal.

I strongly recommend Velammal NEET Academy to NEET aspirants.

The strong foundation I had built from my previous years in Velammal had helped me understand the concepts to a good depth. Expert faculties guided me to improve on my weaker areas. This paved way for me to perform well in exams like NTSE, IOQP, IOQM and Joint Entrance Examination (JEE)

Velammal is the place where your dreams get transformed into reality. Dreams do come true.
